# Alevism Through Emotions

Interdisciplinary Perspectives on Emotions in Alevi Traditions

© Seda Erol

Workshop

The workshop foregrounds emotions as a key dimension of Alevi teaching, practice, and communal life, opening new avenues for the study of Alevi traditions. Bringing together scholars from various disciplines, it examines the diverse emotional expressions, codifications, and expectations that have shaped Alevi traditions in the past and present. The workshop will take place in hybrid format, with participants warmly invited to join the workshop online.

**Date: 25-26 September 2025**

**Venue: Institute for Alevi Theology, Gorch-Fock-Wall 7, 20354 Hamburg, Room A1017**
